

**NEWS RELEASE:**

**KEBO AG Switzerland - Expansion in USA market**

Wednesday 1st November, 2017.

KEBO AG of Neuhausen am Rheinfall Switzerland is pleased to announce a significant step in expansion of activities in the North American market effective as of today.

Mr. Ron Cisliek, Manager North America, is responsible for further business development and establishing a new after sales approach to customers in this important region for KEBO AG.

*„Ron will be able to hit the ground running“ states Gerold Keller C.E.O. of KEBO AG, „mold making is in his blood, thanks to his similar start in life through his Father’s history of mold making. This know how combined with an in depth knowledge of hot runners, and his hands on experience of moulding himself brings another dimension to customers when discussing technical solutions“.*

Andrew Sargisson, Sales Director, adds *„We are all excited to have Ron on board, we have had good success in the US market to date, however his daily presence and availability to customers will take us to another level sending a strong signal to the market that we are here for the long term“.*
